★★★★★ Eowyn (Sugar) -- Has made our entire family happy!

After doing research, I was attracted to Swan Creek Kennel - mostly because of realistic price and the age of the puppy offered (Eowyn). Robin and I conversed through e-mail for a couple of weeks. She indulged me with my inane questions and made me feel confident of the purchase I was making. Eowyn was sent via an on ground delivery system. The morning Eowyn left, Robin went the extra mile, put her in a little sweater and sent her favorite toy. She kept in communication with me until Eowyn arrived. I very happy to find out that Swan Creek Kennel has become a totally recognized AKC dealer. Again, Congrats on that. I can tell by the service given our family and happy healthy little Eowyn that they deserve it. I whole-heartedly give my endorsement of Robin and Swan Creek Kennel. She may give my e-mail to anyone who needs more information. Thanks again Robin! The happiness we've found with Eowyn is incredible.

★★★★★ Wonderful Papillons

Swan Creek has the best looking Papillons I've seen (other than at shows) - their adults look healthy and clean. I got to watch them running around, chasing each other and the puppies in the yard. I just went to 'look' but couldn't leave without getting my 'Jackson'! Thanks for the great job and letting me visit. We'll send pictures soon. Mason

★★★★★ **Adorable, Healthy Puppy**

Buying a puppy from Robin Herd of Swan Creek Kennels was a very delightful experience. Robin was very kind and helpful throughout the entire process and eagerly answered all of our questions no matter how stupid they were:) Our little Puppert is an extremely healthy puppy with a GREAT disposition. We are very very grateful to Robin for helping to bring him into our lives!
