These questions do not 'qualify or disqualify' you but help us make sure you have all the info you need to make the best decisions for you AND your puppy.

Do you have other pets in your home currently? How many, and what breeds.

Have you thought about how you would introduce a new puppy into your home?

Have you ever owned a dog of this breed and or size? Do you have a SWAN CREEK PAPILLON now?

What made you choose this breed?

Are their children living in the home? Their ages? Have they had experience around dogs before?

Where the puppy would be living? Is it fenced or would you be walking the dog on a leash?

Do you work outside the home? For how long would the puppy be home alone?

Have you chosen a veterinarian? Are they familiar with toy breeds?

NOTE: Papillons usually live from 10-19 yrs (14 avg) – this is a Papillon LIFETIME commitment. IF something happens that you cannot keep your commitment to your dog, then the dog must be returned to me (or arrangements approved by me).

BY SIGNING BELOW, you are stating:

I understand that my will love me for THEIR entire lifetime and that my dog is NOT disposable. I will contact my breeder if any such event occurs that I cannot keep my dog. I will not 'give away' my dog to family/friends nor will I ever take my dog to any pound or rescue.
